We locate inside another a perfection that eludes us within ourselves, and through our union with the beloved hope to maintain (against the evidence of all self-knowledge) a precarious faith in our species. Alain de Botton, On Love. Mon, 03 Jul 2017 23:56:00 GMT On Love Quotes by Alain de Botton - Goodreads - Beloved Hope is a story of love, trust, forgiveness, healing, and FAITH. What a wonderfully unabashedly hearttouching book. It shows the grief of a loved one and the process she goes through to learn to love and while she does this she decides to go to court and relive through the deaths in court - she has to also trust in GOD for healing.
